MEMORANDUM FOR: DEPUTY DIRECTOR (ADMINISTRATION)

SUBJECT: Code Designation Regulations

1. During the past few days the Executive Assistant to the Deputy Assistant Director for Policy Coordination has been discussing with [REDACTED] of General Services a draft of subject regulations and agreement has been reached except as to the one point below mentioned.

2. This Office has suggested that the term "Staff Division" or "Opc Staff Division" be included beside the term "Area Division" in certain paragraphs of subject regulation. These paragraphs have to do with the issuance of pseudonyms, cryptonyms, etc. and Mr. [REDACTED] is familiar with the points where the addition of such term has been suggested.

3. The purpose of this addition is to meet the actual fact that certain Opc Staff Divisions now have, and have occasion to request issuance of, pseudonyms and cryptonyms. It is understood that this is not true of OSO Staff Divisions. In Opc there are certain projects, given cryptographic designation, which are the primary responsibility of certain Staff Divisions and instructions have been issued to the Office of Communications to deliver the action copies of incoming communications relating to such projects to the appropriate Staff Division concerned. Likewise, for the purpose of communications, pseudonyms have been issued to certain staff personnel. It is therefore believed unrealistic to omit from subject regulations any mention of Staff Divisions.
